## **Trip to Parnu, Estonia**

In March, Adam flew to Estonia, along with two other leaders from our church in Kristiansand. They were there to scout out the campsite that will be used for our regional youth camp this summer, then head south with Pastor Sven Veedla to his church in Parnu, Estonia. In Parnu, they joined the youth of that church for their meeting on Friday, and did some planning for an outreach we will be doing together with the church this summer. On Sunday they joined Pastor Sven at another church in downtown Tallin before flying back to Norway. Overall the trip was very

good, the campsite looked fantastic for the youth camp, and they had a strong time of prayer and planning with the youth leadership team for the outreach this summer in Parnu.

## **Kjærlighetsmåltid**

I hope you all had a wonderful Easter with your families and with your church families. The Thursday before Easter we had a Kjærlighetsmåltid, or a dinner together at the church, in which each family brought something to share. Easter week is very often a holiday for many people and they take the opportunity to go to their cabins to relax and to ski before the snow goes away. It was mostly young families who gathered at the church. On Easter morning, we gathered again at the church and ate breakfast together, and Pastor John Henry gave the Easter message. It was good to come together and celebrate Jesus!

## **Praise Reports!**

- *The last weekend in April, the youth from the 3 Foursquare churches in Norway gathered together in Stathelle, Norway for a Storsamling (or gathering). It was a strong time of hearing God's word and for the students to encourage each other and build relationship between the churches.*
- *This week Adam and Pastor John Henry were in Budapest, Hungary for the European Foursquare Conference. The meeting times have been strong and it has been good to connect with the European leadership.*

Please feel free to send us a note, we would love to hear from you! Through this newsletter, it is our desire to post updates, prayer requests, and to share with you about the ministry here and our family. We appreciate your prayers as we continue to serve here in Norway and especially as we raise a family in another culture. We continually remember you in our prayers and are truly thankful for you!
